

*** Swiss-Thai Contract Manufacturer ***

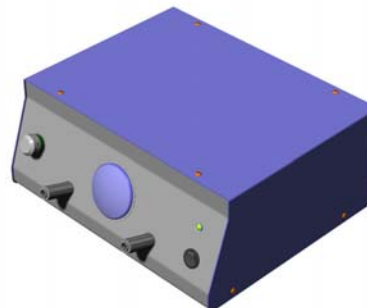

Prototypes, Small series, Large series, Development, Contract manufacturing, Assembly, Quality control

Parts manufacturing with quality control:

- Sheet metal works (punching, bending, welding, laser...)
- Tool manufacturing with high speed CNC machines (Mold maker)
- Injected plastic parts (PP, PS, PC, POM, PA, PA-GF...)
- Milling, drilling, turning, grinding: machined parts (all materials)
- Electronic assemblies (incl. PCB, SMD manufacturing)
- Aluminum extrusion tools and parts (incl. machining, e.g. gear...)
- Special application glass parts (See treatment pistol on the right)
- Steel heat treatment (Hardening, Tenifer, Nitriding...)
- Surface treatment (Anodizing, powder coating, vacuum coating...)
- Aluminum gravity die casting tools and parts

Handel für Glas
FioTec (Thailand) Co., Ltd. FT00-90000P007

Assembly, QC, packaging, logistic, shipping:

- Cosmetic- and medical devices
- Tools, hand tools
- Apparatus, devices (special applications)
- Machines manufacturing and assembly
